

SMARTTROPICS

Mexico's produce for a smart world

From **Mexico** to the **World**

WHO WE ARE

Our philosophy is simple:
To share with the world the most delicious and beautiful fruit our country has to offer.

Smart Tropics México is a company specialized in the farming and dehydration of organic fruits, primarily Mango, we have broad experience as primary producers and owners of the land and orchard, which ensures the quality and integrity of our final product.

We have the highest quality and safety standards at our company.
